As B97 is splitting a double team, his helmet comes off (no foul) on the B-35. QB A11 is well beyond the right hash, B97 chases and hits him, and takes him to the ground. As he is being contacted QB A11 attempts to throw the ball to A88 who is near the sideline at the B-26. The pass hits the ground near the sideline on the B-31. The HL reports to the Referee that the passed ball went beyond the line of scrimmage. At the end of the play, the game clock reads 0:08.
- 2. A 3/8 at A-33:** QB A11 receives the snap in shotgun formation and, from the A-25, throws a pass to A88 who catches it at the A-27. A88 then throws a forward pass from the A-28 to A81 who catches it at the B-40 and is tackled at the B-20.

- 5. A Try at B-8:** Team A is attempting a 2-point Try from the B-8 after a false start moved the ball back 5 yards. The snap is at the left hash. A11 drops back to the B-15 and throws a pass to A2 in the far right corner of the end zone. While the ball is in the air, B1 pushes A2 out of the way and intercepts the pass in the end zone where he is immediately tackled. Team A asks to have the ball placed in the middle of the field for the replay. Include lateral spot as part of the answer.
- 6. A FK at A-35:** A1's free kick is caught by B1 in his end zone and returned to the B-15 where he is tackled. Team B is flagged for two players both wearing number 33 during the down. Team A accepts the penalty.

7. **A 3/23 at A-33:** QB A11 throws a pass to A88 who catches the pass at the B-25 and runs to the B-4 where he fumbles the ball into and out of the Team B end zone. B68 is flagged for hands to the face at the line of scrimmage while the pass was in the air.

B45 begins to run with the ball, and while still in the end zone, is tackled by his face mask causing B45 to fumble the ball. The ball rolls into the field of play where A33 recovers near the sideline at the B-5.
11. **A 4/6 at 50:** Team A's punt is short and rolls out of bounds at the B-30. As flyer A12 leaves the line of scrimmage at the snap, B45 who is in press coverage reaches out and grabs/twists A12's face mask within a yard of the line of scrimmage. B77 runs into the kicker. During B's run, B78 held A68 at the B-35. Team A declines the penalty.
15. **A FK at A-35:** A12's kick is caught by B90 at the B-5. During the return, the head coach of the kicking team comes onto the field of play, vigorously and angrily protesting that there should have been a flag for holding by the receiving team. B90 is tackled at the B-40.

Supplemental Guidelines:

The answers should be T/F. Reference the page of the Supplemental Guidelines used for your answer, then give brief explanation for your answer.

1. The QB is in the shotgun formation. At the snap, all receivers move downfield. Reading pass, LJ should leave the LOS and moves 5-7 yards upfield prior to the pass.
2. Team A is in punt formation at the 50-yard line. The subsequent punt goes out of bounds on the fly at approximately the B20 yard line. The deep official will move toward the area the ball went out in flight looking for the referee to signal with a chopping motion of the arm when the deep official has arrived at the out of bounds spot.
3. The QB is positioned to throw a pass and has the ball above his shoulder in a throwing motion when he is hit and loses control of the ball which subsequently falls to the ground. The referee will rule incomplete pass.
4. For the vast majority of the game, the referee will spot the football between downs.
5. The ball is snapped at the B20 yard line. The runner is tackled inbounds at the B1 yard line. The flank official has primary responsibility for progress on this play.
6. The ball is snapped at the 50-yard line. The QB throws a pass toward the sideline. Ruling forward or backward is responsibility of the flank official on the sideline opposite the direction the pass was thrown.
7. Ball is snapped at the 50. The deep officials see 5 Team A players blocking downfield when the pass is released. The ball is caught near the LOS. The deep officials should wait until the end of the down, confer with the flank official whether the ball crossed the LOS, and then throw a delayed flag for OPI.
8. The Linesman and Side Judge will always begin the first half with the chains.
9. Linesman and Line Judge will both meet with the chain crew prior to the game, with the Line Judge leading the instructions of the chain crew.
10. At the coin toss, when the captains arrive at midfield, the R and U will have the captains each rotate facing opposite endzones.
11. When bringing captains out of the locker room onto the field, everyone will walk to the 50-yard line.
